## CYM

CYM No CYM in December! Blessed Christmas!

CYM are looking for parents/families/parishioners to help with meals and possible projects in the future! We would love to have you participate! We would like to start a meal plan calendar. CYM is held the last Wednesday of each month from 7-9pm in the cafeteria. If your family would like to make, serve, and clean up a meal for our youth please contact Lila Stuhlsatz or Laura O'Neal.

Catholic Youth Ministry seeks to empower our young people to live as faithful disciples of Jesus Christ in our world today by drawing them into active participation in the life and mission of the Catholic Church. The components incorporated each month are: Faith formation, Community life, prayer and worship, and justice and service.

*"Hope is not merely a wish that something good might happen – It is a firm confidence and desire that the promises of God will be fulfilled."*

We live in a culture that produces hopelessness with astounding consistency. But as people of faith, Christmas infuses us with hope - a hope that comes from experiencing the promises and presence of God in Jesus.

## Celebrating Advent

There are a number of ways to celebrate Advent besides simply lighting the Advent candles. Honest repentance and prayer, however, are essential to faithfully observing what is the beginning of the Catholic year.

One way to celebrate is to go to confession and take a friend who has not been in a while. Make it a warm and welcoming experience for them.

Hosting a Christmas party, not for close friends but for members of the community and those in need, is another way to celebrate the season. Invite friends you have not seen in a long time, or perhaps someone with whom you had a disagreement.

If you are in the position to really bless someone, help someone in need with a utility bill, or help a family that may be struggling to have a Merry Christmas with gift cards to a grocery store and a department store. However the Holy Spirit acts upon you be sure to demonstrate it. You will have a merry Christmas yourself if you reach out and help someone who cannot repay you. What a blessing!

## Focus on Jesus

Advent is also an excellent time to focus our children's attention on Jesus instead of on presents. Be an example to them by fasting, praying as a family, and repenting. Show them the true spirit and joy of Christmas by doing for others and having a humble attitude. Go to daily Mass if possible. Any and all Christ-entered activities should be encouraged.

As Catholics, we long for Jesus and His coming again. We can become confused during this season because of our culture and materialism. Do not lose faith. Keep Catholic traditions alive in your home and in your heart with the amazing knowledge that He redeemed Himself for you. Never forget it. He will never forget you.

Have a blessed Christmas and New Year.
