- MON Hot Ham & Cheese
- TUES Taco
- WED **Grandparents Day**
- THURS Chicken Pattie
- FRI Cheese Pizza

## GRANDPARENTS DAY

This year, our Grandparents Day activities will begin with a special Mass for Grandparents at 10:00. Grandparents can pick up grandkids from the gym at 9:50 and head over to church to sit together. Our superintendent, Mrs. Janet Eaton, will be joining us for Mass. After Mass, the children will give you a tour of the school and then you can eat a sack lunch together in the gym, followed by playing any card or board games you bring! We love this tradition!

## Mr. Zoglmann's Message

Hello! I was Principal for a Day on Tuesday. We have such good teachers. They work hard every day, every year! When I visited the classrooms, the students were all listening and answering so many questions. I saw students learning math, reading, and religion, in lots of different ways. First graders were writing in their journals. 3rd grade did workbook pages. 6th grade was divided into two teams and used their chromebooks to play a fraction game against each other. 5th graders had a classroom spelling bee. 2nd graders were gluing holy cards in their book of saints! (I remember doing that!) 4th graders were playing Bingo with division problems and doing Moby Max on the chromebooks. Kindergarten was also doing centers- some students read with Mrs. Koester, while another group was coloring sight words, and the last group worked on Moby Max in the computer lab. I like when students are learning different things at once and get to move around the room doing different activities. Thank you teachers for all you do! (written by our Principal for a Day)

## BODY VENTURE

Thank you to our 15 volunteers who are giving up their morning on Feb. 7 to help teach kids as they travel through the human body and learn all about the incredible nervous, digestive, respiratory, circulatory, muscular, and skeletal systems God has designed us with! Body Venture will be held at the Middle School (NOT at Kyle Trueblood as I originally wrote on the Sign Up Genius.) If you were unable to volunteer for the whole morning but could take off one hour that morning, we are looking for a few more parents that could help us chaperone the small groups of students as they make their way from station to station.

## UNIFORMS

For several months, the Student Council has been persistent in requesting we make an addition to our school uniform policy. After discussing it with Father, the teachers, and our School Council, we announced at last week's PTO meeting that starting this March, we will be adding shorts to the uniform policy. Knee-length navy blue dress shorts can be worn during the first and last quarters of the school year. They should not be the baggy cargo style. These shorts can be found at many retail and online stores. Schoolbelles will be updating our school order page (code S2826) in the upcoming weeks, and we will also have used shorts available for sale at our Open House on Feb. 3. Please email if you have any questions!

## Students Share...

**What game at Winter Carnival do you love, but takes patience to win?**

"The basketball game"

"Where if they spin your number you get to pick out a toy!"

"Bean Bag Toss"

"Pop Spin"

**Thank you Parents,  
for continuing this  
excellent tradition!**
